- **Mobile Phone Notifications**

To set-up your mobile phone to receive appointment reminders from your Google calendar, follow the instructions below;

1. COMPATABILITY

To access messages from your Google calendar, your phone must be capable of receiving email and your service provider must be able to provide an internet service to your mobile phone. (Check with your service provider and your phone manufacturer if unsure).

2. VALIDATION

To receive messages from your Google calendar you must first register your mobile number with Google. To do this, follow these instructions:

Load the Google calendar home page,
click on the **Settings** tab in the left menu, (under **My Calendars**),
click on the **mobile setup** tab,
follow the prompts to verify your mobile number. (You be sent a confirmation email with a verification code),
enter the verification code in the **Mobile Setup** page of your Google calendar,
click the finish button.

3. NOTIFICATIONS

Click on the settings tab under **My Calendars** on the menu.
Select your quote booking calendar **ADF _____**,
Click the **Notifications** tab
Check the box marked **Daily Agenda** email notification.
Your setup is complete, you will receive a daily email of your 'daily agenda' on your mobile phone around 5:30am each day.
